**245** \_\_ |a Category sorting box |h [kit].

**260** \_\_ |a Carson, CA : |b Lakeshore.

**500** \_\_ |a Lakeshore product "GG227".

**500** \_\_ |a Targets standards in these areas: sorting & classifying, naming objects from basic categories, word-object association.

**505** 0\_ |a 30 miniatures -- 10 9" x 9" laminated mats.

**520** \_\_ |a As children identify and sort miniatures into basic categories like "foods" and "transportation," they strengthen their vocabulary and develop the skills they need to become successful readers. 10 colorful activity mats are each printed with a different category, and each features a helpful picture clue, so even nonreaders can sort and match. Kids simply search for 3 objects that correspond with each category, and place them on the mat.

**521** 1\_ |a Ages 3 and up.

**650** \_0 |a Language arts (Primary)

**650** \_0 |a Early childhood education |x Activity programs.

**650** \_0 |a Educational games.
